A glittering event in support of the Duluth Public Library highlighting the magic of the North Shore

DULUTH
LIBRARY
FOUNDATION

A Magical Evening...

Meet us at the library on September 18 to mingle in the stacks while enjoying delicious food, select wines, and craft beer. Learn something new as five brilliant speakers explore the evening's theme—our beloved North Shore!

Our featured speakers this year will be Cathy Wurzer, author and MPR *Morning Edition* host; Elizabeth Austin-Minor, UMD professor of chemistry and Jay Austin, UMD professor of physics and astronomy; both with the Large Lakes Observatory; Leif Enger, author of the best-selling novel, *Virgil Wander*; Linda LeGarde Grover, novelist and professor emeritus of American Indian Studies at UMD.

...in support of the Duluth Public Library!

Register Online: duluthlibraryfoundation.org

All event proceeds will benefit the library's Every Child Ready Duluth initiative and help to fund the outfitting of the Little Library Go! van as it begins its early learning outreach this fall.
